

Our Products

- ◆ Corrugation Gum Powder Manual/Automatic Plant
- ◆ Cold Pasting Gum Powder
- ◆ Paper Tube & Paper Cone Gum Powder
- ◆ White & Yellow Dextrin
- ◆ Oxidized Starch
- ◆ Spray Starch
- ◆ Cationic Starch
- ◆ Other Modified Starch Powders

ABOUT US

BHARAT STARCH was discovered in **2016** as a prime manufacturer and supplier of a varied range of Starch derivatives like **Cold Pasting Gum Powder, Corrugation Gum Powder, Paper Tube Gum Powder, Paper Cone Gum Hot/Cold, Yellow Dextrin, White Dextrin, Cationic Starch, Oxidized Starch, Spray Starch** and other such related products. Our products are popular in national as well as international markets for their outstanding performance, accurate formulation, durability, stable viscosity and de-lamination resistance. Bharat Starch is appreciated for its ability to understand and satisfy the requirements of its customers by providing customized solutions and become the most preferred partner of our valuable patrons.

We strive hard to present high-quality products at the most conservative prices and make product deliveries within the stipulated time. To fabricate high quality products, we obtain raw materials from certified vendors and create as per set industrial norms.

Leveraging our strong industry experience and expertise, we can cater to the exact demands of consumers skillfully, to offer complete satisfaction under the profound guidance of our respected mentor “**Mr. KARTIK PATEL**”. To sustain the same, we have hired a team of specialists, which works round the clock to attain pre-defined organizational intentions. Our team consists of technicians, chemical engineers, quality controllers, administrative personnel and such others who put their efforts to process the entire range hassle-free without leaving any scope for contaminations.

Further, with the assistance of our team of logistics, we even manage timely deliverables.

Quality is the only way to stay in the market for the long term and to maintain consistency in quality, we have maintained a state of the art facility equipped with advanced machinery and plants. We also keep pace with the rapidly changing technology and for that instance; we introduced our flagship brand **BHARAT BIOCHEM** in **2021** to lay more emphasis on developing improved products for various applications

Our Products

Cationic Starch

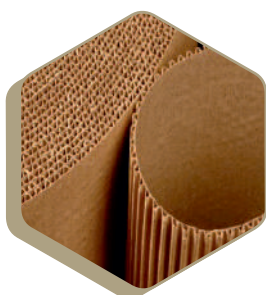

Oxidized Starch

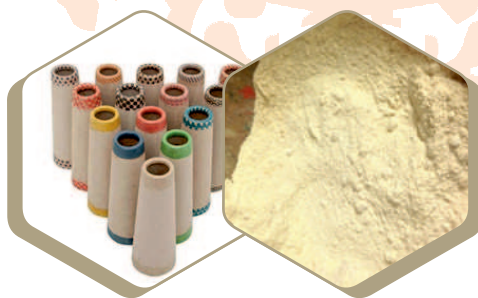

Spray Starch

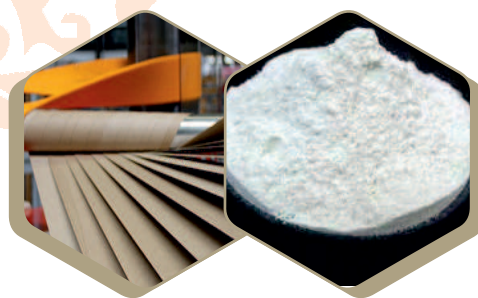

Cold Pasting Gum

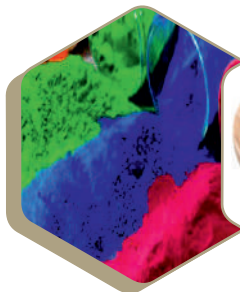

Corrugation Gum

Paper Cone Gum
Cold/ Hot

Paper Tube Gum

White Dextrine

Yellow Dextrine

Gypsum Board Starch

Paper Industry		
Sr. No.	Product Name	Application
1	CATIONIC STARCH	Paper industry for coating and sizing,
2	OXIDIZED STARCH	Paper industry for coating and sizing, textile industry.
3	SPRAY STARCH	Paper industry
Packaging Industry		
Sr. No.	Product Name	Application
4	COLD PASTING GUM POWDER	Carton board and Corrugated boxes manufacturing.
5	CORRUGATION GUM POWDER	Carton board and Corrugated boxes manufacturing.
6	PAPER CONE GUM POWDER COLD	Paper Cone Manufacturing
7	PAPER CONE GUM POWDER HOT	Paper Cone Manufacturing
8	PAPER TUBE GUM POWDER	Paper Tube, Paper Core, Spiral Tube Manufacturing
9	WHITE DEXTRIN	Textile Sizing, Fireworks, Bottle Gum, Cartoon Case Sealing and kumkum Industry,
10	YELLOW DEXTRIN	Foundry, Dyes, Inks, Dry Distemper, Abrasive Industry, Spiral Tube, Paper Tube, Envelope
11	GYPSUM BOARD STARCH	Manufacturing of gypsum boards/Plaster board.
